On the Lighter Side!

I got a job in a workout center, but they said I wasn't fit for the job.

I managed to get a good job working for a pool maintenance company, but the work was just too draining.

I became a professional fisherman, but discovered I couldn't live on my net income.

I studied a long time to become a doctor, but didn't have any patience.

The Storms of Life

At some point in life most of us face many types of health, financial, family or other serious problem. Recently, it seems that "storm clouds" have encircled many due to lost jobs, poor health and the economic situation in our country. It would be quite easy to begin counting our problems instead of our blessings.

Life is precious. It was given each of us by God. He understands that we face difficulties in this short sojourn on earth. Yet, trials and sufferings are a part of life itself, brought on by the sin in the world since Adam and Eve.

Tragedies may come, jobs may be lost, diseases may rack our bodies, or business losses may cause financial disasters. There may be times when we feel we are all alone and overcome by life's difficulties. God did not promise to take away our troubles. But, He did promise that the Lord would never leave nor forsake us (Hebrews 13:5). When trials surround us, He offers comfort and hope through His Word (Romans 15:4). He gives us peace through Christ (John 16:4; Philippians 4:7). If we are in Christ then nothing can separate us from God's love (Romans 8:35-39).

When the storms of life comes our way, let us call to mind the words of the apostle Peter, "casting all your care upon Him; for He careth for you" (1 Peter 5:7).

Little Johnny asked his Grandma how old she was.

Grandma answered, "39 and holding."

Johnny thought about that and then asked: "And how old would you be if you let go?"

Mind Your Own Business

A few weeks ago Neil Wheeler gave me a note he had written as the result of our discussion in a Bible class. The note said, we should "Be careful of the dirt you rake up, you never know what nasty things might take root." We both laughed because the lesson was about tale-bearing and gossip. And the truth is the things we dig up often take root. Often times, weeds grow in my garden because I till deep enough to bring the seeds to the top and they take root. Sometimes life is like that, especially when we dig in other people's "garden." And that is why we need to mind our own business and not pry into the affairs of others.

Paul wrote to the church at Thessalonica, "But concerning brotherly love you have no need that I should write to you, for you yourselves are taught by God to love one another...that you also aspire to lead a quiet life, to mind your own business, and to work with your own hands, as we commanded you" (1 Thessalonians 4:9,11).

Pull the weeds from your own garden...there is enough dirt for each one.
