Worship God!

Twice in the revelation given to him, John is reminded to “worship God” (Rev. 19:10; 22:9). Too many Christians focus more on self than on God in worship. We should never depart from the true purpose of our worship: honoring God. Take a look at the prescribed elements of worship and note how they all are to involve giving God glory.

- When we participate in **SINGING**, we are praising God. God desires that we sing to Him with melody in our hearts (Eph. 5:19). And we should greatly desire to praise Him, for He is our Maker.
- When we join in **PRAYER**, we are making our requests to God. God desires that we pray to him with holy hands (1 Tim. 2:8). And we should greatly desire to make requests to Him, for He is our Heavenly Father.
- When we partake of the **LORD’S SUPPER**, we commune with God. God desires that we do this remembering the great sacrifice of His Son on our behalf (1 Cor. 11:23-26). And we should greatly desire to commune with Him, for He is our Savior.
- When we add to the **CONTRIBUTION**, we are giving to God and His work. God desires that we do so with spiritual purpose and joy (2 Cor. 9:7). And we should greatly desire to give to Him, for He is our Sustainer.
- When we listen to the **PREACHING**, we are hearing God’s holy word. God desires that we listen with great respect and heed with our hearts (2 Pet. 1:19-21). And we should greatly desire to follow God’s word, for He is our Guide.

When we recognize just who and what God is, we will desire to worship Him in spirit and truth (John 4:24). Our attitude as we depart from our gathering together should not so much be “That was a great worship” as it should be “We worship a great God!” Let’s keep the focus where it belongs. Worship God!

Resolutions for a New Year

I have heard people say that they do not like to call them “New Year Resolutions,” but a “To-Do List” for the new year. I am sure we can all agree that we are great at making resolutions, but we are horrible at following through with them.

Decision-making is easy. It is easy to start a new diet. It is easy to decide to pay off all of one’s loans. Once we have decided to put our hand to something, that is the easy part. What is not always easy is following through with your decision.

Likewise, it is easy to start one’s journey to follow Jesus the Messiah. If one is going to be successful at following Jesus, we need to heed Jesus’ stern warning about counting the cost. It is foolhardy not to calculate the cost before pursuing any endeavor. Jesus said that following him meant certain hardship. He said, “If you do not bear your cross and come after me, you cannot be my disciple” (Luke 14:27). I not only encourage you this new year to start your journey with Jesus, but also to follow through with your convictions.
